

Finance & Accounting Roles (All Levels and Sectors of Financial & Accounting Management) – Asia Pacific

Finance and Accounting Positions in various countries in Asia Pacific

ERLMS Limited is a professional management consulting firm specialising in providing Business Management Tools, Organisational and Human Resource Management Consulting, Executive Search Services and IT System Development and Solution Services to companies worldwide.

We currently have numerous Finance and Accounting job roles across all sectors and levels in various countries in Asia Pacific. Our clients are seeking Finance and Accounting professionals from Accounting Manager/Financial Analyst level all the way up to Financial Controller level across a variety of industries.

If you have a background in Job Costing, Accounts Payable & Receivable, Banking, Credit Card Analysis & Cash Book Reconciliation, Management Accounting & Reporting, Journal Processing, Billings & Income Analysis, Reconciliation of Intercompany Loan Accounts, Preparation of Tax Return, Financial Preparation, Reporting & Business Analysis, Financial Budget Preparation & Forecasting, Business & Control Plan Development, and Payroll Management or in other related finance and accounting sectors, we would like to hear from you.

To be considered for one of our great roles, please email us your resume on executivesearch@erlms.com. Please indicate the seniority level of the position and the industry that you are looking to move into, the location(s) that you prefer to be based in and your current and expected salary package.

Finance and Accounting Vice Presidents, Directors, Managers and Specialists as well as Support and Operational professionals of any nationalities are all welcome to write to us.
